SOFT SKILLS

- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

TECH SKILLS

- Programming: Python, Java, C++
- Software Testing: Manual Testing, Test Case Design, Bug Reporting, SDLC, STLC
- Testing Tools: Selenium, Postman
- Database: MySQL
- Web Technologies: HTML, CSS, JavaScript
- Version Control: Git & GitHub
- Networking & Security: Basic Cybersecurity, OWASP Top 10
- Tools: Cisco Packet Tracer, VS Code

PROFILE

Motivated final-year IT undergraduate at Rajarata University of Sri Lanka with an interest in Software Quality Assurance and cybersecurity. Familiar with manual testing, API testing using Postman, and basic automation testing concepts using Selenium. Experienced in academic projects involving software systems, machine learning, and security analysis. Seeking a QA internship opportunity to apply testing knowledge, improve software quality, and gain industry experience.

EDUCATION

BSc in Information Technology

2023 - Present

Rajarata University of Sri Lanka

Expected Graduation: 2026

Completed GCE A/L

2020

Pannala National School

PROJECTS(ACADEMIC)

SMART Kidney Care: Early Detection of Chronic Kidney Disease (Final Year Project)

- Developed AI/ML models for early detection and stage classification of Chronic Kidney Disease.
- Applied data preprocessing, feature engineering, model training, and evaluation techniques.
- Ensuring model accuracy through testing, validation, and performance evaluation.

Technologies Used: Python, Scikit-learn, Pandas, NumPy, FastAPI, MySQL

Developing a Neural Network for Predicting Final Exam Scores Based on Study Habits and Attendance

2025

- Designed and implemented a neural network model to predict student performance using academic and behavioral data.
- Performed data preprocessing, feature selection, and baseline modeling before training the neural network.
- Demonstrated the application of AI in educational performance analysis.

Technologies Used: Python, TensorFlow/Keras, Pandas, NumPy

Information Systems Security Analysis for MAS Holdings (Battaramulla)

2025

- Conducted a comprehensive analysis of the organization's information systems security framework.
- Identified security vulnerabilities, risks, and weaknesses in existing controls.
- Proposed improvements related to access control, network security, and data protection.

Concepts: Risk Assessment, Firewalls, IDS/IPS, Security Policies

LANGUAGES

- English (Fluent)
- Sinhala (Native)

Network Design for a Mid-Sized Company Using Cisco Packet Tracer

2024

- Designed a secure and scalable network infrastructure for a simulated organization.
- Implemented VLAN segmentation, DHCP services, and basic firewall configurations.
- Focused on improving network performance, security, and manageability.

Tools: Cisco Packet Tracer, VLAN, DHCP, Firewall Concepts

Fungal Colony Detection in Yoghurt Using Image Processing

2024

- Developed an image processing solution to detect fungal colonies in yoghurt samples for quality evaluation.
- Applied image preprocessing, thresholding, and feature extraction techniques.

Technologies Used: Python, OpenCV, NumPy

CERTIFICATIONS

- Cybersecurity Foundations: Governance, Risk, and Compliance (GRC) - LinkedIn Learning
- Learning the OWASP Top 10 - LinkedIn Learning
- IT Security Foundations: Core Concepts - LinkedIn Learning

PROFESSIONAL QUALIFICATION

AAT Passed Finalist (AAT PF)

2022

Association of Accounting Technicians of Sri Lanka (AAT Sri Lanka)

- Successfully completed AAT Level 3 (AAT PF)
- Developed knowledge in financial systems, controls, and compliance
- Developed analytical, numerical, and professional discipline skills.

WORK EXPERIENCE

Accountant Assistant Trainee

2020 - 2021

Government Veterinary Office - Pannala

- Assisted in maintaining financial records and documentation with accuracy.
- Worked with structured data and reports ensuring proper organization.
- Gained experience in teamwork, time management, and professional environments.

EXTRACURRICULAR ACTIVITIES

Rotaractor - Rotaract Club, University Chapter

Participated in teamwork, event coordination, leadership activities, and community engagement programs.
